Welcome!

Hey Million Dollar CEO in the Making!

I am so excited to welcome you to Plan for Millions 2.0, my elevated workshop to equip you to prepare and plan to profit millions in your business. Over the next 3 days I will be sharing some high-level insights into how million-dollar CEOs think, act, and plan for the next phase of growth in their business.

Remember, I believe that a million-dollar business is the floor... AND before you can make the MOVE, you must create the PLAN.

I MADE THE MOVE TO MILLIONS MY FIRST YEAR IN THE MOVE TO MILLIONS MASTERMIND!

“Before working with Darnyelle I had a solid multiple six figure business and I knew that millions were on the horizon for me. Crossing the million-dollar mark wouldn’t have been possible without Darnyelle and her team. With their help we experienced a \$300,000 launch right away and went on to host my first event and generate \$620,000 in three days! I’ve hired full time employees and am consistently stepping up my CEO leadership game. I made the move to millions in my first year in the Mastermind and in my second year, I collapsed the amount of time it took me to make 7 figures! The coaching, community and safe space Darnyelle creates is unmatched. I’m so grateful.”
